Summary

Hi, I am Mohammad Maruf from Chandpur, Bangladesh. Experienced with MERN Stack. My academic background is non-technical but still, I take my career as a Web Developer because of my interest and curiosity. I completed a Web Development course. Where I learned MERN Stack and completed 2+ MERN Stack projects as assignments.

I always ensure my skills are kept up to date within this rapidly changing industry. Within the next three years, I want to see myself as a Senior Web Developer. Right now seeking an opportunity to start my career and be part of your success.
